

# LILITH PFÄFFLIN

## Junior Compositing Artist

As an aspiring and passionate compositing artist, recently graduated from PIXL VISN in July 2024. I have spent the last few months working on my student demo reel, and now I'm eager to elevate my skillset and start my career within a professional work environment.

## Work experience

01/2023 - 07/2024 PIXL VISN media arts academy

I independently worked on my assignments, mid-/endterms as well as student demo reel practicing key compositing techniques, including rotoscoping, keying, color correction and 3D integration.

Teamwork	Motivation
Time management	Eager to learn
Critical thinking	Endurance
Problem solving	Deadline-oriented

## Achievements

08/2024 Rank A industry Ranking - The Rookies 2024

"This top-tier rank signifies that [my] skills are exceptional and industry-ready for entry-level roles. [My] work demonstrates a high level proficiency, creativity, and readiness for professional production." Judged by industry experts based on "various aspects of [my] work, including creative and technical abilities, range of skills, presentation, and industry readiness."

07/2024 Rookie Awards Finalist 2024

I got nominated as a finalist in the Rookie Awards 2024 in two categories

03/2024 Best Production Training 3<sup>rd</sup> place

I got nominated and won the third place for best production training in term 5 out of ~40 students

02/2024 Best Production Training honorable mentions

I got nominated for best production training in term 4 out of ~40 students

## Education

07/2024 Diploma - PIXL VISN media arts academy

01/2023 - 06/2024 PIXL VISN media arts academy, Cologne

01/2024 PDF "Basics of Keying in Nuke – Lilith Pfaefflin"

I wrote an 8 pages PDF for other students to explain and summarize the basics of a few keying tools inside Nuke. The goal for me on the one hand was to encourage other students to use the greenscreen room, since most of the students' haven't used it even once and on the other hand for myself to practice these tools.
